

# TurboScribe

Blazing fast, accurate speech-to-text with cutting-edge AI transcription technology.

The screenshot shows the TurboScribe website interface. At the top, there's a navigation bar with the TurboScribe logo, links for PRICING, FAQs, and BLOG, and buttons for LOG IN and SIGN UP. Below the navigation bar, a statistic shows a red line graph icon followed by "4,668,844 hours transcribed". The main heading is "Unlimited audio & video transcription" in green and white, with a subtext "Convert audio and video to accurate text in seconds." Below this, it says "3 free transcripts daily. No credit card required." and a large button with the Google logo that says "Start Transcribing for Free". Underneath the button, there are two options: "Sign up with email address" and "Unlimited Pricing". The "Unlimited Pricing" section shows two plans: "\$10 / month" and "\$20 / month". On the right side of the interface, there's a section titled "Upload audio & video files" with a cloud upload icon. Below this, there's a transcript preview showing a video player with a transcript. The transcript includes the text: "goals and responsible for P&L and things like that?", "(27:04) Or what does that generally look like when they start to own revenue?", "Speaker 1", "(27:08) There's two ways that you can own revenue.", "(27:12) Revenue stream number one will be your self-serve revenue. (27:15) If there's self-serve revenue, that means product is selling literally itself.", and "(27:21) So yes, there has to be somebody in product that". At the bottom of the transcript preview, it says "Session 6-Q&A" and shows a video player with a progress bar at -49:02.
