

# LÀM CHỦ CÁC CÔNG CỤ AI

## A quick note...

### CoPilot is Young...

- These features are in preview mode, and are susceptible to bugs and errors
- New features are being released almost weekly

### Be Cautious...

- Gen AI can be wrong, biased, and downright hallucinate
- Gen AI may lack understanding of context, resulting in bad responses.
- Gen AI relies on its input data, making it susceptible to errors
- Gen AI lacks ethical judgment, limiting its use in morally nuanced situations

***Humans must still be in-the-loop***
